OneHockey Announces New Arena Partner in Middletown, NJ

Middletown Sports Complex to host 8+ OneHockey tournaments, including the World Invitational

PRESS RELEASE: OneHockey : JANUARY 2023 // FOR IMMEDIATE RELEASE:

OneHockey, the No. 1 recognized host of the most competitive and entertaining tournaments the sport has to offer, proudly announces another groundbreaking arena partnership in New Jersey.

Middletown Sports Complex is a sports and recreational haven for all ages. Located in the heart of New Jersey, only five miles from the Jersey Shore, Middletown Sports Complex offers a variety of unique opportunities for ice hockey players and families.

The Middletown Sports Complex, located in Middletown, New Jersey, is the home of the New Jersey Titans. The Middletown Sports Complex is a 9 acre, family sports, and recreation community that is also home to the Junior Titans Hockey Club.

The complex features a 1,500 seat ice hockey arena, a gym and workout center, a fully furnished bar and event center, and an outdoor swimming campus with three pools. With both the ice rink and the swimming facility, the complex provides year-round recreation for families in the Monmouth County area.

This outstanding facility is the perfect location for OneHockey to add 8+ ice hockey tournaments for the 2023-2024 season. The arena is located centrally with easy travel access from NYC and Newark airports, making it ideal for our international teams. Additionally, the Middletown Sports Complex is home to the NAHL NJ Titans team, who won the national championship this past season.

Additionally, OneHockey is moving our renowned World Invitational tournaments to Middletown Sports Complex in December of 2023. These events will feature the very best teams from the United States, Canada, and Europe.

More information about OneHockey can be found at onehockey.com.
