OneHockey Announces 18 Exciting Hockey Tournaments in Cancun, Mexico

Los Angeles, California – June, 18, 2024

OneHockey, the premier ice hockey tournament organizer, is thrilled to announce that it will be hosting 18 spectacular hockey tournaments in Cancun, Mexico. This groundbreaking series of events is especially significant as Mexico has historically not had ice hockey or the facilities to support it. With the recent opening of the brand-new Happy Arena (H-A-P-P-I Arena), this is set to change.

The Happy Arena, a state-of-the-art facility, now provides the perfect venue for ice hockey in Mexico, offering an unprecedented opportunity to introduce and grow the sport locally. OneHockey is incredibly excited to be part of this historic moment and to contribute to the development of hockey in a region where it has never been played before.

“We are beyond excited to bring our tournaments to Cancun,” said [Sebastien Fortier], [CEO & Founder] at OneHockey. “This is a fantastic opportunity not only for us but for the local people of Mexico. We look forward to working with the community to grow the sport and to bring the excitement of ice hockey to a new audience.”

These tournaments will attract hockey teams from around the world, giving players the chance to compete in one of the top vacation destinations globally. Cancun’s stunning beaches, vibrant nightlife, and rich cultural heritage make it an ideal location for an unforgettable hockey experience. Participants and their families can enjoy the best of both worlds: high-quality hockey and a premier vacation spot.
