

AIRLINE LUGGAGE ALLOWANCE : INTERNATIONAL FLIGHTS

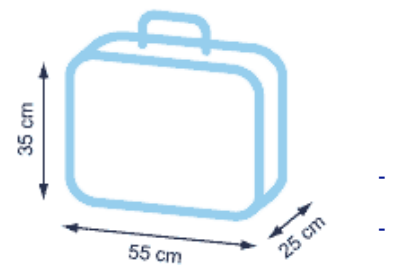

Baggage hold

- You are allowed to register **1 piece of luggage of 23 kg maximum per person**
- 2 pieces for players and coaches **to be paid**.
- If a luggage overweight 23 kg but is under 32 kg, an extra fee of 50 euro will apply
- Sizes of the luggage must not exceed 158 cm (62po.) long + large + depth. See example:
- Children under 2 years old get a specific luggage allowance for all destinations of 12 kg + one cabin luggage + one full foldable trolley.

Hand luggage

- Cabin luggage or hand luggage means every luggage not registered for luggage hold.
- You are allowed to carry: **1 hand luggage** (55 cm x 35 cm x 25 cm maxi*) including a clothes cover) + **1 item** (purse, laptop, camera...) for a **total weight of 8 kg**.
- * Sizes of the luggage, wheels and handles included, must not exceed.
- In this hand luggage, you may keep:
precious and important items: keys, cellular (turned off), identity papers, important documents, money, valuable items, jewels, etc.
fragile items: camera, games console, CD or DVD players, etc.
- Liquids (liquids, gels, creams, pastes, air sprays) transportation must obey specific security rules:
 - **Authorized:** bottles and tubes of 100 ml maximum placed in only one clear plastic bag closed of a 20x20 cm size
 - **Unauthorized:** products placed in opened or opaque plastic bag, stacked or hidid items, oversize bag or item
 - **Exception:** Baby food for the trip, liquid medicine with prescription or certificate.

Forbidden items and regulated transportation in cabin

Regulated goods

The products listed below are permitted in the cabin, but are subject to specific regulations (non-exhaustive list): food with meat and/or milk, cartridges and munitions for hunting or sport weapons, weapon with a blade, firearms and any other look alike item, **perfumes and air sprays** (authorized in the baggage hold for a maximum weight of 2 kg or 2 l. per person and 0.5 kg or 0.5 l. per item), needles for medicinal use (with prescription or certificate, you are responsible of the administration. The content detail and the sizes of the container must be given to the airline prior to departure via the travel agency)

NB: scissors, compass, razor, tweezers, metallic nail file, etc. authorized in the baggage hold only

Unauthorized goods

For your safety, some items are strictly prohibited on board. You are not allowed to carry them with you or in your luggage. Among other lighters, fireworks, firecrackers, corrosive or toxic liquid, mercury thermometers, etc.
